AT WEYBROOK PARK GOLF CLUB

Weybrook Park Golf Club is a modern day club that boasts a fantastic course with magnificent views overlooking North Hampshire. Our picturesque surroundings are ideal for entertaining clients, colleagues or friends while doing business in the tranquil countryside.

This downland course is an excellent test of golf for all standards and, thanks to the rolling chalk based hills, the course is ensured to be playable all year round .

We also offer some of the best practice ground facilities with one of the top coaches in the county. For those who don't play golf our coach can arrange team building sessions to help bring you and your group together.

A full and committed food and beverage operation complements your time at Weybrook Park whatever the occasion. Our highly trained catering team will be pleased to create a bespoke menu for your special event.

As well as our wonderful golf facilities the clubhouse itself is perfect for hosting events such as business meetings, training days, product launches, staff parties or private functions, especially with our front of house team providing excellent hospitality for you and your guests.
